R-Go Riser Attachable Laptop stand

Instruction manual

What's in the box?

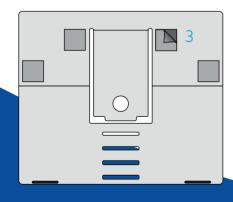

1 Place the rubber antislip caps on the corners of the logo side of the tablet stand (see step A picture 1)

2 Turn the stand, and place the 3M Dual Lock stickers (**a**) and rectangular foam stickers (**b**) on the indicated places on the stand (see step A picture 2)

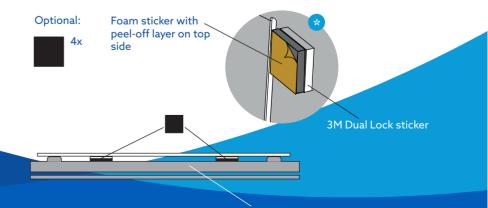

Step B

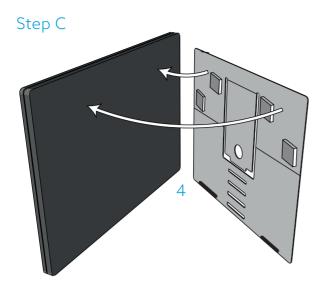

3 Peel off the protection layer of the 3M

Dual Lock stickers

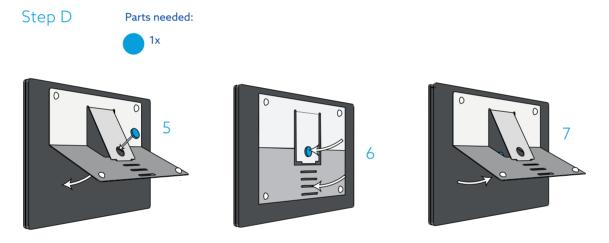

Optional If your laptop has large anti-slip pads sticking out, you can add extra square foam stickers to fill up the excesive space. Place the foam stickers on top of the 3M Dual Lock stickers. **Caution**: place the foam stickers on the 3M Dual Lock stickers in such a way that the peel-off layer is on the top side, see below*.

Bottom side laptop

4 Place the laptop stand on the bottom side of your laptop

5 Place the blue round foam sticker in the hole of the laptop stand with protection layer removed6 Press down the laptop stand, making sure that the sticker stays properly on the bottom of the laptop7 You can open the laptop stand again. It is now ready for use!
